—About The Cover—

Avila basketball is enjoying its first full season in the new Mabee Fieldhouse. The 2,000 seat facility was made possible through the donations of the Mabee Foundation.

The Avalanche opened the Fieldhouse on February 10, 1980 with an overwhelming 85-68 win over Benedictine College.

Message from Sister Olive Louise

Welcome to all our friends! This is a special season for us, the first full year in our new Mabee Fieldhouse. Mr. and Mrs. Mabee were native Missourians whose wealth has assisted many colleges in our state. These Christian benefactors, now deceased, provide us with a facility enjoyed by our total college community. We are grateful to the trustees of the Mabee Foundation for their help.

Learning to work together, to follow instructions, to be respectful and to play a fair game is an integral part of an education. Let us support our teams and recreate the Avila spirit with each game: to do one's best now and at all times with dignity and pride. We cannot afford the time and expense to do otherwise.

Sincerely,

Sister Olive Louise

Message From Lynn Cupkie

On behalf of our entire athletic staff, I would like to welcome you to Avila College and the new Mabee Fieldhouse.

We have been very fortunate during the six years of our basketball program to achieve a winning tradition on the court, while playing a tougher, upgraded schedule each season.

I'd like to thank everyone who has supported Avila athletics over the years and ask for your continued backing for the coming year.

Sincerely,

Lynn Cupkie

Head Coach Bill Waris

Bill Waris
Head Coach

The only head coach in Avila basketball history, Bill Waris enters his seventh season at the helm. He opened the 1980-81 campaign only five wins shy of his 100th career victory, with a lifetime mark of 95-76.

Waris guided last year's team to its best finish ever with an 18-12 mark and a berth in the District 16 playoffs.

Aside from his duties on the floor of Mabee Fieldhouse, Waris is the Principal of St. Thomas More School and is a 6th District representative in the Jackson County Legislature. He graduated from Creighton University in Omaha and earned his Master's Degree in Education from Central Missouri State University.

Bill and his wife, Patty reside just a few blocks from the Avila campus with their four children, Kathleen, Timmy, Mary Christine and Anne.

ASSISTANT COACHES

Dennis Joyce

Dennis enters his fourth season as a member of the Avila braintrust. A 1972 graduate of St. Ignatius High School in Cleveland, Ohio, Joyce has been instrumental in the arrival of six members of this year's team from his home state.

Dennis graduated from Avila in the spring of 1977 and recently earned his Master's Degree in Business from Rockhurst College.

The 25-year old bachelor is also the assistant coordinator of athletics at Avila.

Jeff Gilmore

Jeff is also entering his fourth year as an Avila assistant. He completed an excellent three-year playing career at Avila in 1977 and led the Avalanche in scoring his first two seasons.

Aside from his duties on the bench and during practice, Gilmore spends much of the season traveling throughout the midwest in search of talent for future Avila teams.

AVALANCHE COMES OFF BEST SEASON EVER

To say Avila's basketball team is coming off a good year would be understating the case. The Avalanche finished the year with an 18-12 record and a berth in the District 16 playoffs. The 18 victories were the most ever recorded in the school's six-year involvement in basketball.

The Avalanche were consistently rated in the District's top eight and were stationed near the top spot throughout most of the last three weeks of the campaign.

Highlighting last year's performances was a five-game winning streak capped with a victory over NCAA Division I Southern Illinois-Edwardsville in the UMKC tournament. Last year also saw Avila win its own classic for the second year in a row and defeat perennial NAIA power Marymount for the first time in a thrilling 87-75 triumph in Municipal Auditorium.

Avila's success last year was somewhat of a surprise considering they played 11 games without the services of center Eric Talmadge, who did not become eligible until the second semester, and Baxter Jones, who suffered a pair of serious injuries. Both Talmadge and Jones return for full seasons in 1980-81 as do seven other veterans.

Included in the returnees is Mark Hatchett, who became Avila's first ever District 16 first team representative. Hatchett, only a sophomore last season by scholastic standards, played like a seasoned veteran holding down one of the forward positions.

Also among the key returnees are Mike Moran, who started at forward in every game last year and Orvstin Candler a main factor coming off the bench. Avila recruited three guards in the off-season to give relief to returnees Darrek Porter and Ted Melton, with newcomers Bob Harbin, Jim Donnelly and Scott Friedman adding depth to the guard corps. All of the newly acquired guards are capable of putting points on the board from long range.

Also returning for another season is Fred Haney, who played an important role in relieving Talmadge, and Marvin Sellers who, as a freshman, competed in 27 games including starting duty while Jones was shelved with injuries.

This also marks the first full season in Mabey Fieldhouse and with that comes the first time the Avila players have a place they can call "Home".

MEET THE PLAYERS

NO. 10 SCOTT FRIEDMAN **GUARD FR.**

The only freshman on this year's squad, Scott will solidify the guard play this year. Last season as a high school senior, Friedman set a high school assist record dishing out 150. It isn't any wonder why he was considered one of the finest passers in the Cleveland area.

Scott's talents not only include great passing ability, he is a very capable free throw shooter, hitting better than 80% at the charity stripe.

NO. 14 BOB HARBIN **GUARD JR.**

Bob returns to basketball action after sitting out last season upon his transfer to Avila. A hot-shooting guard, the native Kansas Citian will be another added asset to Avila's outside shooting skills.

Known as a "zone buster", Harbin averaged 12 points a game at Penn Valley Community College in Kansas City. Prior to that, Bob hit at a 21 point a game clip as a prep star at nearby Center High School, where he was a member of the Missouri state championship team.

NO. 20 DARREK PORTER **GUARD JR.**

Darrek was a pleasant surprise last year appearing in all 30 games while providing some scoring punch from the guard spot. Porter averaged six points a game and hit over 70% from the charity stripe.

Darrek also possesses excellent defensive ability, using his 6-3 frame to thwart opposing guards. Porter came to Avila after a one-year stint at Johnson County Community College. He played his high school ball at Oak Park on the north side of Kansas City.

MEET THE PLAYERS

NO. 24 JIM DONNELLY GUARD JR.

Jim brings excellent credentials from a two-year stint at Nebraska Western Junior College. He averaged 13 points a game while shooting at an outstanding 54% clip from the floor.

Jim is possibly the most consistent of the outside shooters on this year's squad. Donnelly will be a major factor in Avila's success this year from the outside.

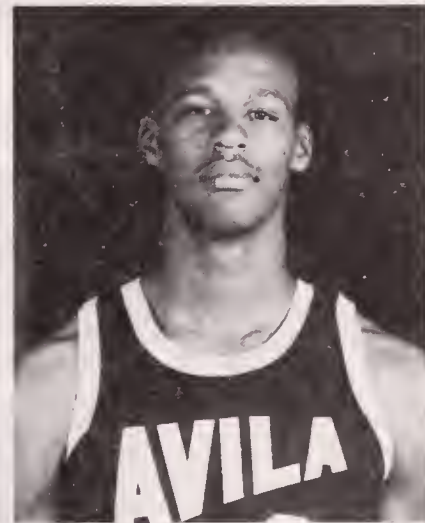

He is another member of the "Ohio Connection" that has helped build the Avalanche basketball fortunes in recent years.

NO. 30 MARK HATCHETT FORWARD JR.

Mark had an outstanding sophomore campaign leading the Avalanche in both scoring and rebounding. His performance was so impressive that he became the first player ever at Avila to be selected to the District 16 first team as voted by the coaches.

"Hatch", as known by his teammates, is deceptively stronger than his 6-5, 195 pound frame would indicate and much quicker than most forwards in the area. Mark scored over 20 points on five different occasions last year and finished in double figures in all but five contests. His best performance during the season was a 25-point outing against Missouri Western.

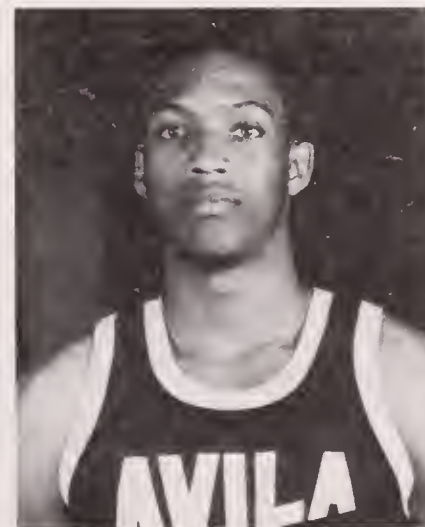

NO. 32 MARVIN SELLERS FORWARD SOPH.

The arrival of Marvin last year was a needed relief to the coaching staff. Sellers played in 27 games as a freshman and improved with every performance.

He was a major asset filling for the injured Baxter Jones. Marvin's top outings included a 12 point, 10 rebound game against Southwest Baptist and a career-high 16 point performance against William Jewell.

At 6-4, 200 pounds, Marvin is capable of shooting outside or fighting for position inside.

MEET THE PLAYERS

NO. 34 TED MELTON GUARD JR.

Ted, one of six juniors on this year's team, played well coming off the bench last season. In 16 contests, Melton hit 56% of his shots from the floor and 83% from the free throw line.

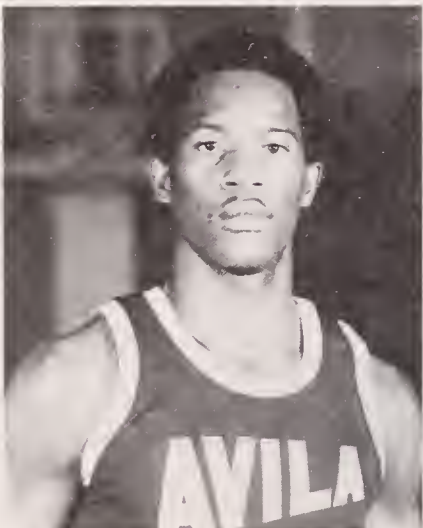

A fiery competitor, Ted contributes more than just athletic ability to the team as he helps develop a winning attitude in his teammates. A player who practices as hard as he plays, Melton is best known for his quick moves to the basket.

NO. 40 FRED HANEY CENTER JR.

Fred returns this year as probably the most improved player from last season. Haney possesses great jumping ability which explains why he has been the Avalanche most prolific shot-blocker the past two seasons.

Fred played in all 30 games last year, mainly as a backup to Eric Talmadge during the second half of the campaign. Haney responded with his best shooting ever from the field, tossing in nearly 57% of his shots. Fred also opened the year by nailing his first 19 free throw tosses before tailing off toward season's end.

NO. 42 ORVSTIN CANDLER FORWARD SR.

Orvstin played in all 30 outings last season, oftentimes coming in off the bench, averaging better than nine points a game. A very strong forward, Orvstin led last year's squad in offensive rebounds and finished second only to Mark Hatchett in overall caroms.

A three-year letterman at Avila, "O" possesses an excellent shooting touch and handles himself well inside against larger opposition.

MEET THE PLAYERS

NO. 44 BAXTER JONES GUARD-FORWARD JR.

If ever a purple-heart was awarded in basketball, Baxter Jones would be one of the first recipients of the award. B.J. was twice sidelined during his sophomore season missing a total of 11 games with a broken finger and sprained ankle. He was sorely missed in last year's District 16 playoff game against Southwest Baptist due to the ankle injury.

Although he's been plagued with physical setbacks, Baxter has still managed to average 12.5 points a game in his two years at Avila. The 6-4 swingman is majoring in Communications.

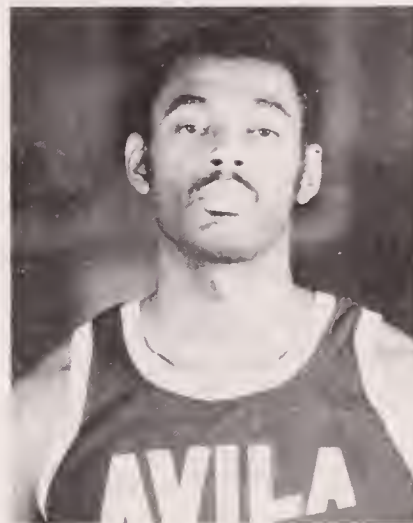

NO. 52 ERIC TALMADGE CENTER SR.

Eric became eligible at mid-season last year and quickly became one of the most intimidating big men in the area. His second half performance was very instrumental to Avila's arrival in the district playoffs.

Known as the "Big E", Talmadge averaged better than 12 points a game and 6.3 rebounds.

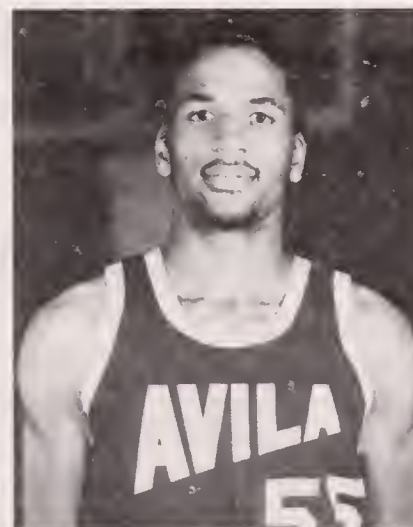

Eric transferred to Avila from Casper (Wyoming) Junior College at the urging of former Avalanche guard Tom Rice. Talmadge is majoring in Law Enforcement and at 6-8, 225 pounds, he should be very convincing at his work.

NO. 55 MIKE MORAN FORWARD SR.

Mike arrived on the Avila scene last year and promptly won a spot in the starting lineup. In fact, Moran started all 30 contests for the Avalanche. Mike responded to his full-time duty with an average of nearly eight points a game and a 4.9 rebound per game mark. He also led all Avila starters in free throw percentage by hitting 75% of his attempts.

Another of the Avila frontliners with excellent jumping ability, Mike will be called upon to establish the strong inside game. Moran came to Avila from Nebraska Western Junior College, the same establishment that sent the Avalanche newcomer Jim Donnelly.
